Grand Knight Comments

My Brothers Knights,

As my year is winding down, I want to thank you all for a great year. I believe we are back to “normal activities” and have been a great success with more to come. It was great to see all the old faces as well as all the new faces in the council at the activities.

My outgoing message is that we only have the success of the council because of all the help we have with you, the members. Our activities take a lot of work, but with many hands helping out it is always a great time and success. I have said in the past and will continue to state, that you do not need to participate in all the activities throughout the year, but if you do a couple throughout the year, we will have a successful year. And on that note, if you know of any activity that you think will help the council, bring it forward as no idea is to little for us.

I leave the next year in great hands and wish the best to John Williams as the new Grand Knight and look forward on everything that will come in the next year, we have plenty of activities that will happen in the next year.

Lastly, I pray and ask that all our inactive members of our Council to return and be a part of the Council, as stated earlier, we only succeed with the help of the members of our Council.

I know I speak for John Williams, but if you need any help or just want to talk please call, text, or email us at any time, we are here for you.

Vivat Jesus!
God Bless!

Jon Thielen
