Catholic Facts

Why do priests wear black?

Symbolically black is associated with simplicity and humility and reminds priests of their need to imitate those virtues. Black is also a color that represents death and mourning and symbolizes how a priest is to die to oneself and decrease so that God may increase in his life. He is called to take up the cross of Our Lord daily, dying to sin so that he may rise in the life of grace. [1]

Spiritual Quotes

Pray as if everything depended on God and work as if everything depended on you.
