Catholic Facts

Did you know that the Big Bang Theory was proposed by a Catholic priest: Fr. Georges Lemaitre. [1]

Catholic Symbols

The triquetra symbol represents the trinity. 'Triquetra' means three cornered shape and is a very popular symbol in Celtic art, more specifically in Insular art which is found in many beautiful illuminated manuscripts. The trinity knot is believed to represent God as three separate forms; the father, the son and the holy spirit. These three forms exist as one, hence the intertwining form of the knot. [2]
