### **Summary of the Meeting:**

The December 2025 Knights of Columbus Council meeting focused on financial stewardship, community service, and upcoming spiritual activities. The council reviewed its stable financial standing, with a balance exceeding \$57,000 despite substantial year-to-date disbursements for charitable projects like the "Tootsie Roll" drive and seminary support. Key highlights included the recognition of Tom Farmer as Knight of the Month and reports on successful service projects, such as serving 240 meals at St. Mary's Food Kitchen and conducting a local street cleanup. Looking ahead to early 2026, the council finalized plans for a Christmas party on January 17th, a Corporate Communion on January 18th, and ongoing collections for the "pro-life crib" and homeless outreach via the Uplift ministry.
