## Catholic Facts

Eastern Orthodox Church and Roman Catholic Church shared the communion. In 1054, it ended because of the East-West Schism. The disputes between the two were related to the authority of the Pope.

## Catholic Symbols

### Monks

The words “monk” and “monastery” come from the Greek word “*monos*,” which means “single.” Monks originally withdrew from society to live by themselves, but later gathered together into monasteries, where, as today, their common life supports the individual, contemplative exercises that characterize the monastic vocation.

## Activity Updates

CATHOLIC PRAYERS

<https://www.crs.org>

As Catholics, we recognize that *prayer is of the utmost importance*, an invaluable contribution to helping the poor overseas. It guides our actions, it binds us in solidarity to one another and connects us more deeply with the grace that flows from God.

CATHOLIC PRAYERS

<https://www.usccb.org/catholic-prayers>

God invites us into a relationship with Him that is both personal and communal. He speaks to us through His Son, Jesus Christ, the Word-made-flesh. Prayer is our response to God who is already speaking or, better yet, revealing Himself to us. Therefore, prayer is not merely an exchange of words, but it engages the whole person in a relationship with God the Father, through the Son, and in the Holy Spirit.
